STATE BOARD MEETING DATE January 26, 2008

SUBJECT: Program of Instruction Amendment Request – Salt River Pima-Maricopa
Community Schools

SUBMITTED BY: DeAnna Rowe

MANAGEMENT TEAM REVIEW: _____

BACKGROUND INFORMATION:

Salt River Pima-Maricopa Community Schools operates Salt River High School, a State Board of Education sponsored charter school serving grades 7-12.

The Charter Operator has provided the appropriate documentation to expand its operations for FY 2010 to include an additional high school campus, Salt River Accelerated Learning Academy. The request for a program of instruction amendment supports the inclusion of additional instructional delivery methods including computer based instruction and small group and/or one-on-one instruction that will be implemented at the new school.

This school is in compliance with applicable state and federal laws.
